

Ibeyi Going On American Tour

©SANDRAEBERT

Ibeyi has announced their North American tour in support of *Spell 31*. Lisa-Kaindé and her sister Naomi Diaz released their third album last year. They released three singles; “Made of Gold” featuring Pa Salieu, “Lavendar & Red Roses” featuring

Jorja Smith and “Sister 2 Sister.” The French natives had to postpone their tour of the US last May. *Spell 31* was their return after the 2017 release of *Ash*. They have entertained with their hypnotic diasporic rhythms since their self-titled 2015 debut. The tour starts in March and will visit 14 cities. Tickets can be purchased from their [website](#).
