

Throwback: Timbaland & Magoo-Luv 2 Luv U Feat. Shaunta Montgomery & Playa

Timbaland & Magoo's "Luv 2 Luv U" was a single from their 1997 first album *Welcome To Our World*. Timbaland's herculean beats were a straightforward dancefloor invitation enriched by Magoo and Shaunta's unforgettable verses. The late Static Major, Timbaland and Magoo co-wrote "Luv 2 Luv U" which was one of four promotional singles from the album. *Welcome To Our World* went platinum by the spring of 1998 and Timbaland's sound had become one of the most recognized during '90s hip-hop. Timbaland & Magoo released three albums before stopping their musical partnership in 2003. All three albums were re-released

in 2021 after Blackground Records signed a deal with Distribution Records. Timbaland and Missy recently let fans know they are working on new music.
