

Elmiene Releases *El-Mean* EP & Choose You Video

Oxford R&B crooner Elmiene releases his *El-Mean* debut EP and the video for “Choose You.” The EP follows the heavily streamed “Why (Spare Me Tears)” and “Endless No More.” Elmiene’s music was in Virgil Abloh’s last Louis Vuitton show last year and it was the first place his voice was heard. The new artist has already opened for Robert Glasper and Yasiin Bey in Paris and his first two London shows in May are sold

out. A few weeks ago he performed "Endless No More" for A COLORS Show. Elmiene's *El-Mean* is an unforgettable introduction to his sensitive soul.
