Chlothegod Returns With My Bad, My Fault Video & EP Announcement

Chlothegod is back with her latest single, "My Bad, My Fault" and the announcement of her upcoming Nearly Straight EP. Watch the video and see her be honest, funny and whimsical about her refusal to accept bad behavior from her partner. She released "Outta My Mind" over the summer after emerging with her first single "Camille" earlier this year. All the songs will be on the Nearly Straight EP which comes out on October 13th. The singer-songwriter will go on tour as the opening act for Amindi a day after the album is released and tickets are on sale now.
