

Todd Terry Remixes Lion Babe's Love Another Time

House legend Todd Terry remixes Lion Babe's "Love Another Time." The duo's latest tune gets a squirmy bassline and accentuated synths under Terry's touch. The changes to the original version add more fanfare to the single and conjure up visions of huge dance floors, disco lights, and moving bodies. The duo has consistently contributed to the genre with memorable past reworkings of Nelly's "Hot In Herre" and Yasiin Bey's "Umi Says." "Love Another Time" marks the next phase of Lion Babe's house evolution and a meeting of a pioneer with contemporary artists, thus ensuring the genre's survival in the 21st century. "Love Another Time" is streaming on digital platforms, and Lion Babe has also dropped new [merchandise](#).
