

Watch: The Shindellas-Think Of Me Too Feat. Q Parker Official Video

The Shindellas enlist Q Parker of 112 for their single “Think Of Me Too.” The addition of Parker, who is not on the album version, morphs the song into a classic duet beaming with the aura of summertime love. “Think Of Me Too” is from The Shindellas’ 2023 sophomore album, [Shindo](#). The trio of Kasi, Stacey, and Tam are making way for the 21st-century girl group with their sparkling vocals and classic stage presence. They reek of Motown and ’90s R&B but “Think Of Me Too” is destined to join the ranks of those few songs that are timeless.
