

Media Questions Of The Week

Spotify basically filtered half of Megan's streams on their weekly album chart ?? Do yall know how badly streams were botted for this to happen? ?? pic.twitter.com/TMavvWHM5h

If Megan Thee Stallion had 30 million streams removed by Spotify for being bots who are the other artists using bots?

CNN quietly disbanded its Race and Equality team Wednesday, a source said. Reporting by [@Phil_Lewis_](#) <https://t.co/YYnzL6cCF9>
