

# NxWorries (anderson.paak & Knxwledge) Going On First North American Tour

NxWorries (anderson.paak & Knxwledge) have announced their first North American tour as headliners. The duo released their sophomore album, *Why Lawd?*, last year, and they will tour it. The outing will begin in September at the Crystal Ballroom in Portland, Oregon. They are scheduled to perform in more than a dozen cities by the time the tour wraps up in October. Their first album, *Yes, Lawd*, was an underground classic. *Why, Lawd* kept the same musical energy but received industry recognition with a Grammy award for Best Progressive R&B Album. In addition to their revelation about the tour, they released “Everybody Gets Down.” The summery single is right on time for the season.
