Con Funk Shun is returning with their first new album in two decades with *More Than Love* in early 2015. "Your Night" is a preview of their renewed sound with most of their original lineup including Michael Cooper and Felton Pilate. The funk band was very successful in the '70's and '80's with songs

like “Ffun” and “Electric Lady.” Cooper says the album was a must because they still love making music and their fanbase continues to be loyal.
