

# Janelle Mon  ie’s Make Me Feel Gets Two New Remixes

Janelle Mon  ie continues to create excitement around the upcoming release of her *Dirty Computer* album. The videos for “Make Me Feel” and “Django Jane” created a happy hysteria and eagerness to hear all of her new music. Today, “Make Me Feel” gets EDM and house remixes courtesy of EDX and Kaskade. *Dirty Computer*   comes out April 27th but until then Mon  ie wants her fans to be present and dance.  

## Seven Davis Jr. Remixes Lion Babe’s Honey Dew

[youtube id=“1A3Vr7tQtBA”]   Seven Davis Jr.’s remix of Lion Babe’s “Honey Dew” is focused on a club atmosphere unlike the relaxed tone of the original. The new version comes right after the duo just released the song’s video. Davis’s production clicks with Lion Babe’s overall vibe and “Honey Dew” gains double status for being an oasis on the dancefloor and sounds for listening everywhere else in its first form.  

## Listen: Stas THEE Boss-Voices Album Stream

Stass THEE Boss just released her *Voices* album and it is a reinterpretation of the gospel world. She takes sounds from church and reshapes them into songs that almost neatly fall into the landscape of deep house. The mostly instrumental nine songs are contemplative and dance-worthy at the same time.
