Media Questions Of The Week

1. Why are media outlets like the New York Times writing obituaries [\(that's been changed\)](#) of Nelson Mandela that describe him as a "peaceful resistor?"

2. What will Kanye West's next album sound like with production from Rick Rubin and Q-Tip?

3. Why are the producers of *American Horror Story: Coven* describing Lance Reddick's Papa Legba character as a "voodoo Satan" when Satan has nothing to do with voodoo?
