Chuck Woo, music consultant hosts all 6 nights of this Music Business TeleWebinar. Woo has long felt that the hotel music conference wasn't the best learning environment for those wanting to really learn. "Logistics, expenses and other factors prevent these conferences from having the best information, best companies and best presentation for attendees. Now with gas prices at 4.00 per gallon, teleconferences and Webinars make more sense. Our convenient playback ability allows attendees to listen to the recorded sessions over and over until they get it Right!"

Registration is flexible and affordable. Attendees can register for 1 week of their choice or they can register for both weeks.

Registration is \$99.00 per week. Register before July 5th and get both weeks with a 50% Discount off of the second week. Register for both weeks after July 5th and receive a 30% discount off of the second week. All Registered Attendees receive Panelist contact information, Panelists Premiums and access to the recorded Music Business TeleWebinar sessions.
