Soul Train Has New Owner

People who think of "Soul Train" as an artifact from 1970s television may be surprised to learn that the 38-year-old song-and-dance show was never canceled. Although no new episodes are produced, it lives on in reruns that showcase the taste-making music, hairstyles and fashions of decades past.

Yo Majesty To Release EP In

July, Full Length Album Out In October On Domino Records

The much anticipated debut from Yo! Majesty *Futuristically Speaking* Never Be Afraid will be available on CD and vinyl from Domino Records on October 7 2008. The *Kryptonite Pussy* EP will be released in digital and vinyl format on July 22 2008. With production from Basement Jaxx, Sunship, Radio Clit, Deekline, CLP, Mercedes and Hard Feelings UK the Tampa, FL based Yo! Majesty are set to jump start the hip hop community with a release that is unforgiving and brutally honest. *Futuristically Speaking* Never Be Afraid is a testimonial to Yo! Majesty's militant and often shocking lyrics, their lesbianism, Christianity and an open letter of rejection to hip hops triple curse of misogyny, homophobia and materialism. Track listings below.

Few acts combine rap music, pro-gay sloganeering and spiritual enlightenment quite like Yo! Majesty

NEW YORK TIMES MAGAZINE

If punk was originally about defying labels, celebrating misfits, creating new sounds, and doing it all on one's own terms, hand-wringers about that genre should open their ears and listen no further. Because by those criteria, Yo! Majesty is the most punk fucking rock thing out there right now. MIAMI
NEW TIMES

Yo! Majesty absolutely blew my mind. Shunda K & Jwl. B came out and tore into a set that was explosive, aggressive, and relentless. BROOKLYN VEGAN

05. Hit It and Quit It

Lil Wayne Goes Platinum In A Week

With the highest weekly sales figure since 2005, Lil Wayne crashes in at No. 1 on The Billboard 200 with "Tha Carter III." As reported yesterday, the Cash Money/Universal set moved just over 1 million copies in the United States, according to Nielsen SoundScan, the first time the six-figure threshold was crossed since 50 Cent's "The Massacre" in March 2005.
