

The Gospel According To André (Trailer)

[youtube id="KzZkVGCY5rY"]*The Gospel According To Andre* is a new film about the life of former *Vogue* editor-at-large André Leon Talley. Director Kate Novack digs into Talley's history growing up in the south and how his grandmother influenced his interest in style and luxury. Talley is credited with bringing several African-American designers and models to the pages of *Vogue*, *W* and other publications. As a towering Black man himself, Talley was also an anomaly because very few African-Americans have held such a prominent position in the fashion world. *The Gospel According To Andre* will be in [theaters](#) May 25th.
