Angel Haze-Echelon (It's My Way)

[youtube id="GMw65Fwtl0I"]

Angel Haze is having an Americana party with colorful bikers including Dog The Bounty Hunter and Brooke Candy in her "Echelon (It's My Way)" video. "Echelon" is the first single from her upcoming major label debut *Dirty Gold*. The airy synth sound on the production is a contrast to her usual hard-spitting rhymes that should make it easier for the non

hardcore rap head to digest her sound.
