Another Bad Creation were six kids from Atlanta, Georgia who were discovered by New Edition's Michael Bivins. They secured a recording contract with Motown and released two albums. Their first project, 1991's *Coolin At The Playground Ya Know!* went platinum with the help of "[Iesha](#)" and "Playground." They also covered New Edition's "[Jealous Girl](#)" and had two more singles in "[Spydermann](#)" and "[My World.](#)" A second album, *It Ain't What U Wear It's How U Play It*, from 1993, fell flat commercially and the group broke-up and left the entertainment business. In 2007 they released two mixtapes and [new video footage](#) of themselves working on music in their Atlanta hometown.
