Who was [Swizz Beatz](#) complaining about charging excessive rates to do Verzuz and refusing to perform untilÂ friend from Rikers prison says a prayer?Â

Hulu making a documentary about Astroworld is in poor taste all around.

People are still burying their loved ones. The legal cases havenâ€™t even started.

Great documentaries are done when all the facts are laid out. Not enough time has passed to fully discuss this.

Was Hulu too quick making the *Astroworld: Concert From Hell* documentary three weeks after the tragedy and then taking it

down after facing criticism?Â
