Amerigo Gazaway's latest pairing is a blues and hip-hop meeting between B.B.King and UGK and he calls it *B.B. & The Underground Kingz: The Trill Is Gone*. Gazaway makes the connection between the blues and hip-hop and he blends King's road stories with UGK's storytelling to show the philosophic continuum between the two. *The Trill Is Gone* comes out October 5th but you download the first single, "The Trill Is Gone Featuring Mr. 3-2 And Ronnie Spencer" [here](#).
