Eminem's BET Awards Cypher

Eminem's BET Award's cypher is a full attack on Donald Trump's rhetoric. He addresses everything from gun control and Colin Kaepernick and the proposed wall between the United States and Mexico.

New Edition Perform And Accept Lifetime Achievement Award At BET Awards

New Edition put on one of their best performances at the BET Awards with both casts from the miniseries about their lives. "Mr. Telephone Man" "Can You Stand The Rain" and "Is It Really Love" lit up the Microsoft Theater with their 30-plus years of mastering the stage. After the show, they humbly accepted a well-deserved Lifetime Achievement Award presented by the cast of *Girl Trip* and Johnny Gill announced their new tour starting this fall.

Xscape Performs Hit Medley At 2017 BET Awards

Xscape reunited at the BET Awards and led the audience in a singalong of their hits from the '90s. The crowd joined them on "Understanding" "Who Can I Run To" and "Just Kickin' It." They disbanded in 2002 and had a brief reunion in 2005. Those attending the Essence Music Festival this year will have the chance to see their first live show in almost 20 years.
