

Big Boi: What's In My Bag?

[youtube id="x2PFFZ2V_1I"] Big Boi is the latest artist to visit Amoeba Music and share what he picked-up from the store. Kate Bush and Funkadelic are just two of his choices and he gives great stories about how he was introduced to the music. Big Boi's [Boomiverse](#) is out now.

Big Boi: In The South Featuring Gucci Mane & Pimp C Official Video

[youtube id="k72e-JFq-r0"] Big Boi's video for "In The South" featuring Gucci Mane and the late Pimp C is teeming with bright colors as three of them sit in a car as animated figures. Big Boi's *Boomiverse* still won't satiate the fans' desire for a new Outkast album even as Andre 3000 reminded everyone of lack of desire to rap in his recent interview with [GQ](#). But Big Boi's latest solo record has influenced more than a few people to add speakers in their trunks.

Danger Mouse: Chase Me Featuring RTJ & Big Boi

Official Video

[youtube id="vHShmiCxL8s"] Danger Mouse has resurfaced with "Chase Me" from the *Baby Driver* soundtrack with appearances from Run The Jewels and Big Boi. The video is a typical action movie high-speed chase and Danger Mouse even has a brief cameo in the clip. "Chase Me" is available digitally but is not on the vinyl release of the soundtrack. *Baby Driver* will be in theaters June 28th.

Big Boi: Kill Jill Feat. Killer Mike & Jeezy Official Video
