

# Eros Shares Starshine Feat. Nanna.B & Bobby Earth

Houston native Eros is starting the summer with his new single “Starshine” that features Danish singer Nanna.B fellow R&B artist Bobby Earth. Eros plays the bass and gives a breathy delivery on the song that has the calm of shimmering water inside the romantic vibe. The lyrics are all about a couple committed to making their relationship work. “Starshine” follows Eros’ 2017 [“Mu’Dat”](#) single and *Stratus* EP.

**Shares**

**DTDT**

# Featuring Bobby Earth

Kriswontwo's sophomore album [Back To One](#) is out now and "DTDT" which is short for Do The Damn Thing is from the project. Earth's carefree rap delivery is a match for Kriswontwo's synth-heavy production that moves quickly for dancefloor activity.

## Milky Wayv Collective Member Bobby Earth Unveils Lazy Daze Single Feat. Lord Gabe

<https://soundcloud.com/milkywayv/bobby-earth-lazy-daze-feat-lord-gabe>

Milky Wayv's collective member Bobby Earth has a new single with "Lazy Daze" an R&B single with mild psychedelia and a guest rap from Lord Gabe. Label mate Peyton provides background vocals and Solange's favorite trumpet player Adam DeWalt ends the song. The Houston-based Earth released his *Progression* EP last September. "Lazy Daze" is available as a free download.
