Schenay Mosley is a member The Highness, an all-woman musical collective from Chicago. "Bliss" is a single written by Mosley and she plays keys while Boyang plays bass underneath her lyrics about a frustrating relationship. The Highness started as a nine-piece band in 2011 and now it is a five-woman collective making their own pop and rock-influenced R&B. The unsigned group is currently recording the follow-up to their 2015 *Young Taboo* debut project.
