

BR00KZILL! Releases Lyric Video For Mad Dog In Yoruba Feat. Fafã de Belã©m & Kiko Dinucci

[youtube id="r0CIMuKtL4o"] BR00KZILL! has a lyric video for "Mad Dog In Yoruba" that is a double reinforcement of the bilingual nature of the song. Portuguese and English words float across the screen with colorful kaleidoscope images and the song comes to life in a playful manner. The BR00KZILL! collective of Prince Paul, Ladybug Mecca, Don Newkirk and Rodrigo Brandão released their Brooklyn to Brazil [Throwback To The Future](#) album last fall.

BR00KZILL! -Let's Go (ã Noiz) Official Lyric Video

[youtube id="mP5SJrGmVfI"] BR00KZILL! releases a lyric video for "Let's Go (ã Noiz)" from their [Throwback To The Future](#) album coming out next Friday. The group explores the rhythmic connections between Brooklyn and Brazil using their combined mastery of both sounds. Watch the moving sideways silhouettes of the band members and yellow text move in time to the tribal funk of "Let's Go (ã Noiz)."

Brookzill! Ladybug Mecca Mixtape 2

Brookzill! presents Mixtape 2 mixed by Ladybug Mecca and it's a blend of Brazilian music and hip-hop much like their [*Throwback To The Future*](#) album coming out October 7th.
