Grieves & Budo Announce On The Rocks Tour

Rhymesayer's very own Grieves & Budo are proud to announce the upcoming "On the Rocks Tour" taking place this holiday season. Their third consecutive tour since the start of The Vans Warped Tour will focus on areas

missed during the Together/Apart Tour, primarily the East Coast and South. Joined by female Brooklyn/San Francisco rapper, K. Flay, the tour will bring the same high intensity of the sold out Midwest and Western US shows to fans old and new this winter.

Grieves' recent release Together/Apart charted #1 on Billboard's "Heatseekers Chart", #13 in "Rap Albums" and #106 overall on Billboard's "Top 200".
