# Green Velvet & Carl Craig- Unity Album Stream

Legendary Chicago house producer Cajmere channels his Green Velvet persona and adds his usual bottom-bouncing beats to Carl Craig's operatic space vision together creating their *Unity* album. Craig's esteemed roots as Detroit's most important second wave techno producer play well with Green Velvet's humid dancefloor mandate. *Unity* is available for purchase via [Beatport](#).

# Cajmere & Gene Farris-The Music Box From Chicago EP

[youtube]doYePD4yeMM[/youtube]

Cajmere and Gene Farris enlisted old footage of the Soul Train

dancers for this video to add visuals to their new song “The Music Box” from the *Chicago* EP. The Music Box was the place where the legendary Ron Hardy held court in the '80's playing wild house tracks till his audience had a transcendental experience. You can buy the track and the EP at [Beatport](#) only.
