

# Candace Bellamy Debuts Her Bluesy Single Trigger

Candace Bellamy taps into the blues for her new single “Trigger.” Bellamy is emerging with her debut album *Undone* after years of singing for fun. *Undone* will have the benefit of her collaborations with veteran songwriters Ruth Carter and Jake Langley. “Trigger” tells the story of a woman trying to resist an alluring man against a lazy tempo and lots of blues guitar. Bellamy’s *Undone* will be available on May 5th.

## Candace Bellamy’s Video For Undone Is Prelude To New EP

[youtube id="utmubT00JSg"] Candace Bellamy is an R&B singer based in Texas and started singing professionally 12 years ago as a respite from her day job as a doctor. “Undone” is a straightforward break-up song and Bellamy delivers the song from a club stage with her band. The *Undone* EP will be released May 5th 2017.
