

Green Velvet & Carl Craig- Unity Album Stream

Legendary Chicago house producer Cajmere channels his Green Velvet persona and adds his usual bottom-bouncing beats to Carl Craig's operatic space vision together creating their *Unity* album. Craig's esteemed roots as Detroit's most important second wave techno producer play well with Green Velvet's humid dancefloor mandate. *Unity* is available for purchase via [Beatport](#).

Noisey Presents: Made In America The Detroit Episode

[youtube id="ANDGYLZ4ii0"]

Noisey's *Made In America* series goes to Detroit and interviews Danny Brown about his hometown and its influence on him. They also dig into the origins of techno with Kevin Saunderson and Carl Craig.

Saturday Tribute To Detroit's

Mojo

This Saturday Carl Craig, Rick Wilhite, Kenny Dixon Jr. and Mark Duncan will do a tribute to The Electrifying Mojo in Detroit's New Center Area called [For The Love Of Mojo](#).
