

Tricky Presents New Single Does It With CASISDEAD From The *Obia* EP

Tricky and UK Grime rapper CASISDEAD are a team on the reworking of the Skilled Mechanics' "Does It." The dark single is from Tricky's *Obia* EP which pairs him with established and new artists that he chooses with the purpose of widening their visibility. "Does It" will be released September 28th on Tricky's False Idols label.
