

# Childish Gambino Releases Surprise Album 3.15.20

Childish Gambino releases his first full-length project since *Awaken, My Love!* from 2016 with *3.15.20*. Ariana Grande, Sza, 21 Savage and Kadjha Bonet have guest appearances on the 12-song album. The music was first available as a stream on DonaldGloverPresents.com a week ago but was taken down. There are two versions of the album; the conventional song by song Childish Gambino version and the continuous play tracklist under Donald Glover Presents.Â Â

## Rihanna & Childish Gambino's Guava Island Is Streaming Now

[youtube id="In0P55759jU"]The Childish Gambino and Rihanna film *Guava Island* is streaming now exclusively on [Amazon Prime](#). Hiro Murai directed the story about Gambino being a celebrity and musician living on an island with his girlfriend played by Rihanna. The movie is a thriller based around Gambino's character, Deni Maroon, and his passion for giving

his community a music festival. *Guava Island* premiered at Coachella and then was offered to everyone for free on Amazon Prime for 18 hours. The film's political message is driven by the soundtrack that has original music from Childish Gambino as well as reworked versions of "This Is America" "Summertime Magic" and "Feels Like Summertime."Â
