Daley: Until The Pain Is Gone Feat. Jill Scott Official Video

[youtube id="_MrqznD97y0"] Daley witnesses a couple going through the hard stages of love while sitting inside a restaurant. The dark-lit video for "Until The Pain Is Gone" captures the feeling of attempting to heal a relationship but the only thing missing is an appearance from Jill Scott who is featured on the song. Daley's *The Spectrum* will be released this summer.

Daley Duets With Jill Scott

On Until The Pain Is Gone

[youtube id="wpjFSZG7Rfw"] Daley and Jill Scott approach the possibility of love after past disappointments on the duet [“Until The Pain Is Gone.”](#) Daley started writing the song in 2015 and reached out to Jill Scott, who he met previously in his native London, for her participation. The singer emerged in 2011 with his *Those Who Wait* EP and released his first album *Days + Nights* in 2014. His full return to music will happen later this year with the release of his second album titled *The Spectrum*.
