## denitia & sene-Divided (Wordy Soulspeak Remix)

denitia & sene’s “Divided” is remixed by the Wordy Soulspeak production crew to reflect more texture than the Christian Rich produced album version.

Denitia & Sene worked with BKLYN AIR to turn their “Trip.Fall” video into a music video that looks like a scene from a indie flick. Denitia’s shower-singing acapella in a hotel and her dialogue with Sene plays out more like cinema instead of the usual music video. Their *his and hers* album will have a vinyl release on February 11th.
