## Blood Orange Is Releasing Angel's Pulse (Trailer)

[youtube id="Wrj7buVKgig"]Blood Orange is releasing a new mixtape called Angel's Pulse what he calls an "epilogue" to last year's Negro Swan." The tape comes out this Friday, July 12th and he released a statement about the new music:

"My new record is called Angelâ $\in$ <sup>™</sup>s Pulse & I performed, produced, and mixed the entire thing myself. Iâ $\in$ <sup>™</sup>m calling it a mixtape. I have a habit through the years of making records that I just give to friends, or on tape to people on the street or no one. Usually, this material is made directly after the album Iâ $\in$ <sup>™</sup>ve just put out. Somewhat of an epilogue to the thing Iâ $\in$ <sup>™</sup>ve made before. This time… I decided to release it.

I put as much work and care into it as I do with the albums  $I\hat{a} \in \mathbb{N}$  released, but for some reason trained myself into not releasing things the rate at which I make them.  $I\hat{a} \in \mathbb{N}$  mow though, and life is unpredictable and terrifying... so here you go, mates."

Blood Orange aka Devonté Hynes shared new songs "Something To Do" and "Dark & Handsome" on The Late Late Show with James Corden earlier this year. He will be on  $\underline{tour}$  this summer through the fall.Â

## Blood Orange: With Him/Best To You/Better Numb Official Video

В

Blood Orange combines "With Him," "Best To You" and "Better Numb" into a short of him running through the streets, playing music, spending time with a girlfriend and dancing. Amandla Stenberg joins him on violin as he plays the double bass. The beginning of the clip is reminiscent of Marlon Riggs's Black Is...Black Ain't documentary. Â The piece ends with Blood Orange doing a modern dance on stage and ending it by laying still on the floor.
