

Devils Of Moko Give An In-Studio Performance Of Vata

[youtube id="AI-sucd9eeQ"]Devils Of Moko share the origin of their electronic jazz single "Vata" and perform it in the studio. The London-based group is comprised of members from The Cinematic Orchestra, Kongo Dia Ntotila and Septabeat. The band's pianist Dominic J Marshall explains his understanding of the Ayurvedic Sanskrit word 'Vata.' The band's second single comes after the release of "Algorithm" and will be available [Thursday](#).Â
