

dFonk & Smif N Wessun Collaborate On IMOM (In Memory Of Marvin)

Belgian producer dFonk and Brooklyn's Smif N Wessun remember the late Marvin Gaye with "IMOM" (In Memory Of Marvin). The trio recorded the [Seasons](#) EP at dFonk's studio on the Belgian coast and they later visited some of the places where Gaye used to frequent when he lived near Ostend, which is where he created the song "Sexual Healing." "IMOM" is not included on the EP but is available as a single.Â
