Cee Knowledge And The Cosmic Funk Orchestra Release Video For Space Man

[youtube id="0d0sIvd-034"] Cee Knowledge And The Cosmic Funk Orchestra release the video for their new single "Space Man." The autobiographical song has an animated clip featuring Knowledge and the orchestra floating around and eventually leaving earth. At one point, they are chased by Donald Trump and that seems to be the motivation for their departure. Knowledge is usually known as Doodlebug from Digable Planets and he's been performing with the orchestra since 2000. "Space Man" is an obviousÂ reaction toÂ the lack of unity amongÂ people without beingÂ reactionary. You canÂ buy it from the usualÂ [spots](#).Â

Digable Planets Full Show Live On KEXP

[youtube id="YT0kwV_iNEE'"] Digable Planets performed a five-song show at the Kex Hostel studios in Iceland last month and now the full show is viewable. The band has been on a reunion tour for most of 2016 and their reappearance builds hope for a new album.
