

Dolphin-Young Black Mind

Fresh Selects has just added Baltimore R&B artist Dolphin to its roster and “Young Black Mind” is the first release from their new relationship. Dolphin self-released his single, [“And The Whole World Is On Fire”](#) in 2013. “Young Black Mind” is also about an imperfect world outside with all the vocals, writing, production and instruments done by Dolphin.

Dolphin-And The Whole World Is On Fire

[Dolphin – And The Whole World Is On Fire \(The Opium Sky EP\) by Dolphin \(Wardolphin.com\)](#)

“And The World World Is On Fire” is the first sound from Dolphin’s forthcoming *Opium Sky* EP. There is no set date for the EP’s release but you can see a film of his live acoustic performance he calls [IOTA](#).

Dolphin-Inspiration

Dolphin is a singer/producer/multi-instrumentalist from

Baltimore and "Inspiration" is his tribute to Gil Scott-Heron and it uses a sample from Heron's "We Almost Lost Detroit" to add to its vintage feel.
