

Otis Junior & Dr. Dundiff Release *Rising With It* EP

Otis Junior & Dr. Dundiff release their *Rising With It* EP. The duo is comprised of Junior who is a singer-songwriter based in Louisville, Kentucky and Dundiff who is a known producer of hip-hop in the state. The EP follows their *Hemispheres* album from 2017 which also has similar explorations to their current sound. Junior states, "*Rising With It* is a concise example of why Dundiff and I first collaborated, and how we have both grown as a result of teaming up. This EP blends all the styles we've touched on in the past few years, and combines them with our newest developments as artists and as people."
