

Media Questions Of The Week

1. Does Jill Scott really need the Grammys to validate her career?

2. Isn't it awful that Questlove had to block 3,500 racist Tea Party members from harassing him on Twitter because of the Fishbone "Lyin' Ass Bitch" intro before Michelle Bachmann appeared on The Jimmy Fallon show?

3. Is the course being taught on Jay-Z at Georgetown University by Dr. Michael Eric Dyson a legitimate and worthwhile offering?
