

Media Questions Of The Week

I have been the best to this culture I have always put hip-hop first and I see u guys go to Ellen and David Letterman's and Zane Lows and treat them with more respect than the culture but u say u want black excellence

Does N.O.R.E. have a point about rappers skipping hip-hop media and putting mainstream outlets like David Letterman first?

Will the new Elvis movie endear his legacy to the current generation and revive the fortunes of his estate?
