

EKKAH & DÄÇM-Funk-What's Up?

[youtube id="2ffZ0Zkq-7w"] London R&B/Pop duo EKKAH and DÄÇM-Funk re-live rollerskating sessions and big hair with their collaboration single, "What's Up." DÄÇM-Funk's masterful reworking of '70's & '80's synth-funk includes a sample of Young & Company's "I What You're Doing To Me" - Rebecca Wilson and Rebekah Pennington are EKKAH and they play the bass guitar and saxophone in their band that has already supported their idol, Nile Rodgers. DÄÇM-Funk also produced "Space Between Us" which is the b-side to "What's Up" - and both songs will be on their debut album due early next year.
