

Denzel Washington's *Equalizer* 2 Has Official Trailer

[youtube id="HyNJ3UrGk_I"] Denzel Washington reprises his role as retired CIA Black Ops operative turned vigilante Robert McCall in *The Equalizer 2*. Today the official trailer was released and Washington's character is back with new problems to solve after a loved one is murdered. Antoine Fuqua directed the first *Equalizer* movie and he is also directing this film which is Washington's first sequel. *The Equalizer 2* comes out July 20th.
