

# Estelle Releases Video For So Easy Feat. Luke James

[youtube id="hvHTKroxXF"]Estelle and Luke James are one-half of two separate relationships of contentment in the "So Easy" video. Their carefree movement matches the warm weather and the feeling of love all around them. "So Easy" is from Estelle's just-released *Lovers Rock* album. The singer opened more on this album than any other by sharing her parents' love story and delving into her West Indian heritage. The reggae sound of [Lovers Rock](#) is different from past material and it still adds more layers to the music with Afrobeat and dancehall. The British native [said](#) that she wants people to hear the album and feel that love is possible.Â
