Is will.i.am right that it's a mistake not to see the Black Eyed Peas as a Black group just because they had international success?

Freddie Gibbs & The Alchemist Drop Video For Frank Lucas

Freddie Gibbs and The Alchemist drop the video for “Franks Lucas” which has a feature appearance from Benny The Butcher. The majority of the time Gibbs and Butcher hang out on a boat and trade verses. Their tribute to the late drug dealer that was immortalized with the movie *American Gangster*, is more of Gibbs’ stories about the same lifestyle. A mural dedicated to Lucas is also seen in the video. Gibbs and The Alchemist released their [Alfredo](#) album earlier in the summer.Â
