

# DJ Aktive Reps The City With Common, Freeway, Bri Steves & DJ Jazzy Jeff

DJ Aktive has an ode to the urban world with “The City” featuring Common, Freeway, DJ Jazzy Jeff and Bri Steves. The relaxed track celebrates Philadelphia’s rich culture with cavalier horns and the head-nodding beat. Each emcee has a story about their lives in the city that takes you on a journey of their vivid memories. DJ Aktive has been DJing on tours for the past 18 years working for stellar artists like Janet Jackson and Kanye West. “The City” is the first single from his debut album aptly titled *The Tour* and there are features from Estelle, Marsha Ambrosius, Musiq Soulchild and more. *The Tour* will be released on July 5th.Â
