FUSE Michael Jackson Tribute – Friday June 25th and Saturday June 26th!

For the Ultimate Homage to Michael Jackson

On the anniversary of his death, Fuse, Madison Square Garden’s national music television network, will celebrate Michael Jackson’s life with two days of non-stop MJ. Friday, June 25th and Saturday, June 26th between 11am – 6am, Fuse will pay tribute to the King of Pop with programming that includes two world-premiere documentaries, a biography highlighting the pop star’s wildly successful career and some of his most iconic music videos.

Michael Jackson: The Inside Story – WORLD PREMIERE

Premieres Friday, June 25th at 8pm ET

The death of Michael Jackson shocked the world, devastating his fans. Now, a year since his passing, this 90-minute documentary takes a closer look at his controversial life and conspiracies surrounding his mysterious death.

Michael Jackson: A Tribute – WORLD PREMIERE

Premieres Friday, June 25th at 9:30pm ET

This hour-long documentary takes a look at how Michael Jackson’s music changed the world and how his charity work made it a better place. Filled with interviews with loved ones, this exclusive premiere takes an intimate look into the life and legacy of the King of Pop.

Tune-in all day Friday and Saturday for additional programming that includes:

Michael Jackson: Devotion

From his musical debut at the age of four to his sudden, tragic death in 2009, Michael Jackson remains one of the world's most successful, influential, and beloved pop stars. This biography takes a closer look at the singer's controversial life and career through interviews with friends, family, and colleagues, delving into such topics as his charity work, his moving memorial service, and his permanent spot as a tabloid fixture.

Michael Jackson: Remember His Time

Fuse takes a look back at the King of Pop through some of his most memorable and iconic music videos including Billie Jean, Beat It, Thriller, Remember the Time, Black or White and more.

The Michael Jackson Chronicles

This half-hour, Fuse original series, chronicles Jackson's rise to the top, showcasing his greatest moments and videos from the beginning to the end. "The Michael Jackson Chronicles" airs in a two-part sequence.
