# George Michael - Fantasy Featuring Nile Rodgers Official Video

[youtube id="rWk7ykBdIA8"] "Fantasy" is the first single from the posthumous reissue of George Michael's *Listen Without Prejudice Vol. 1*. Michael gave Nile Rodgers his consent to remix "Fantasy" before his passing. The video is a succession of clips from Michael's past videos all the way back to his Wham! days to the biggest songs of his solo career. The reissue comes out this Friday as a box set with a remastered version of Michael's 1996 *MTV Unplugged* performance. The set is coming out 10 months after the singer's death last year at age 53 from a heart condition.
