

# Glasses Malone Leaks New Track From Drive By Muzik EP

Cash Money's Recording artist Glasses Malone has just kicked off the Independent Grind Tour alongside Tech N9ne and E-40, which will run throughout September and October across the US. To celebrate the launch of his new tour, Glasses Malone has released the new track "Still In The City" from his EP "Drive By Muzik" online at <http://www.xclusiveszone.net/2010/09/glasses-malone-still-in-city-prod-by.html>. Malone will leak a new song off of "Drive By Muzik" every Tuesday for the next 8 weeks.

Glasses Malone (aka G.Malone) has spent the last several years overtaking both the West Coast and national music scene as he prepares for the release of his debut album "Beach Cruiser." Glasses made his mark in the hip-hop game by collaborating with industry heavyweights like Lil Wayne, Snoop Dogg, Akon, and touring with Tech N9ne and Slaughterhouse. Glasses Malone's new single "I Get Doe" is currently heating up radio stations across the country.
