

# Grace Jones Talks About Bloodlight And Bami On The Tonight Show

[youtube id="p8hljSsk05k"] Grace Jones was a guest on *The Tonight Show* and she talked about her family, career and the *Bloodlight And Bami* documentary. Jones explained the title of the film is a dual homage to her recording career and favorite food. She also shared a story about her famous performance on the opening night of Studio 54 and how it was a catalyst for Nile Rodgers's "Freak Out" single with Chic. *Grace Jones: Bloodlight And Bami* will open in nationwide theaters April 20th.
