

HXLT-Work It Out Official Video

[youtube id="4Msqmm_kmgU"] HXLT decides in his video for "Work It Out" that the only way to resolve a troublesome relationship is to end it. In the video, he has a small signifier from his days of rapping as Hollywood Holt when you see him grab his chain on the way out of the apartment. The G.O.O.D. Music artist saw his punk debut [album](#) come out earlier this year.
