

# Mr Eazi & J Balvin Release Video For Lento

Mr Eazi and J Balvin have fun co-starring in their video for "Lento." The Afrobeats and Reggaeton stars are surrounded by women dancers in the clip where the biggest presence comes from the stuffed teddy bears. Video director, Meiji Alabi, who directed the Nigerian segment of Beyoncé's *Black Is King*, came up with a concept despite Eazi being in London and Balvin being in Colombia. They were able to create a mood despite the distance between them across continents. Balvin thanked his fans today for their prayers for his mother who just had an operation and him surviving his own battles with depression. Mr Eazi's *Something Else* EP will come out in the first quarter of 2021.

# Mr Eazi & J Balvin Band Together For Lento

Nigerian Afrobeats star Mr Eazi reunites with reggaeton singer J Balvin for “Lento.” Producer Killertunes help craft the steamy late-night vibe with both artists who trade lyrics in Spanish, English and Yoruba. It is their third collaboration as they previously worked on “Como Un BebÃ©” from Balvin’s 2019 *Oasis* album with Bad Bunny. Their Grammy-winning “ArcÃ³ris” from Balvin’s *Colores* was their second time making music together. “Lento” which means slowly, is a stress reducer needed right now in the midst of all the COVID-19 related challenges facing the world. The duo found a way to bring some level of calm with their new song. Mr Eazi will be releasing his *Something Else* EP at the beginning of 2021.Â
